

SERVICE BULLETIN

DATE: 22 January 1980 **BULLETIN NUMBER:**
MODEL: Four - 91 and W 30 engines - Older Models **103**
SUBJECT: Tach Drive Cover Plate

A tach drive cover plate and gasket are available for older Four-91 and W-30 engines :
Westerbeke Part #22123 - Plate
Westerbeke Part #14667 - Gasket

By removing the two hold-down bolts for the tach drive, it can be carefully lifted out with its gear and the cover plate and gasket put in its place and secured with the two bolts.

The parts may be purchased/ordered through any authorized Westerbeke dealer.
